

Useful Resources

1. myNTU Portal & NTU Account

For all campus web-based application system services, please access myNTU portal <http://my.ntu.edu.tw/> with your NTU account.

For undergraduate students, please activate your NTU account from 10 August, 2022 onwards. For graduate students, please activate your NTU account from 03 August, 2022 onwards by accessing https://web4.cc.ntu.edu.tw/p/s/login3/passwordchange_en.html

- For students with Alien Resident Certificate (ARC) numbers, the default NTU account password is nine alphanumeric characters in total.

1st letter "d" (lower case) & last 4 digits of ID + Date of Birth (MMDD)

eg: ARC ID **D876543210** + Date of Birth 2005.**11.23** (Nov 23) → Default Password **d32101123**

- For students with **no** Alien Resident Certificate (ARC) numbers, the default NTU account password is nine alphanumeric characters in total.

"a" (lower case) + Date of Birth (YYYYMMDD)

eg: Date of Birth 2005.10.04 → Default Password **a20051004**

2. Course Selection

Pre-registration for first stage course selection begins on **17 August, 2022 (Wednesday)**. Please view the online [Course Selection Guideline \(Notes for Course Selection and Enrollment/Payment of Tuition & Fees\)](#) and the attached letter (Course Selection Reminder) from the Office of Academic Affairs for more details.

For Undergraduate Students:

You have many required courses to take in Year 1. Please fill your timetable with the required courses first, because they will help you to build the necessary foundations for the following Civil Engineering courses. If you have more time and energy, you can then take some elective courses and so on.

For an overview of undergraduate courses, please visit <https://www.ce.ntu.edu.tw/en/list-of-courses-offered-in-2019-2023/>

For Graduate Students:

Please contact & discuss with your advisor what courses to take before registering online for the courses.

For graduation requirements of each division, please refer to our *Student Manual* at <https://www.ce.ntu.edu.tw/en/resources/useful-information/> (scroll down)

3. Videos

The links below are Online Orientation Videos produced by our CE International Student. Although it was recorded for our Fall 2020 semester students, please watch them one by one as you will find super useful tips from these students.
