

【The 42nd Conference on Surveying and Geomatics】

Key Vision & LOGO Design Competition

1. Purpose:

The Conference on Surveying and Geomatics is an important annual conference to showcase the development of the research results in the field of surveying and geomatics.

Before hosting the 42nd Conference on Surveying and Geomatics, the Department of Civil Engineering at National Taiwan University (NTUCE) would like to stimulate students' creativity in engineering design by launching the "Key Vision & LOGO Design Competition."

First prize (1 team): NT\$20,000

The finalist (3 to 5 teams): NT\$ 3,000 per team

2. Organizer:

Surveying and Geospatial Engineering Division, Department of Civil Engineering, NTU

3. Eligibility:

All students in the Department of Civil Engineering, NTU are welcome to join the competition.

One person for one team. The team includes more than 2 people, at least one (1) member of the team must be a Civil Engineering student.

4. Rules:

The works must include the followings: (1) Key Vision, (2) a Logo, and (3) a description of the design concept. (Theme, Conference Title, and Organizer should all be included in the Works, both in Chinese and English.)

Theme: 數位雙生、智慧轉型 (Digital Twins for Intelligent Future)

Conference title: 第 42 屆測量及空間資訊研討會

The 42nd Conference on Surveying and Geomatics

Organizer: Department of Civil Engineering, National Taiwan University

Work size/format: JPG, above 500dpi. RGB color mode.

The description of the design concept should not longer than 200 words.

5. Submission method:

Deadline: March 9, 2023

Please email the Works, Registration Form, and Copyright Assignment Form to et520527@gmail.com

The format of the Email subject and file name: Key Vision & LOGO – department and year of study / team name.

The organizer will reply to you after receiving your design. If you do not receive the confirmation letter within three (3) days, please visit CEB 217 to check.

6. Evaluation:

Evaluation criteria: creativity, representativeness, aesthetics, completeness (25% each).

Committee members: CE Department Professors will be invited to select the winning works in accordance with the principles of fairness.

Presentation: The finalist teams should come in person to the CE Department to present the design concept in mid-March 2023.

Award announced: April 2023

7. Awards:

First prize (1 team): NT\$20,000 and a certificate.

The finalist (3 to 5 teams): NT\$3,000 and a certificate per team.

8. Remarks:

- (1) The organizer shall have the rights to utilize, including but not limited to modify, adjust, or duplicate the works in different formats, including but not limited to typesetting and printing, for promotional and exhibition purposes.
- (2) Incomplete registration information and works in the incorrect format which affects the evaluation results would be deemed as invalid entries and would not be included in the selection process. Participants should have no objection to this.
- (3) All entries will not be returned. Participants should keep their own drafts or backups.
- (4) If none of the entries meet the evaluation criteria, the prize would not be awarded.
- (5) After the finalist list is announced, in order to receive the prize, each winning team should identify at least one member to be a CE student.
- (6) After submitting the works, participants are deemed to have accepted the competition regulations and would respect the professional comments, evaluation, and decisions made by the Committee. The unspecified business would be clarified by the organizer.
